Re: **Legal Issues**

Dear April:

Thank you for your letter of interest in my legal services. I am very sympathetic to your situation and would absolutely represent you pro bono if I were able to do so. I am a sole practitioner and am unable to undertake such a case with no compensation.

I followed the Michelle Murphy case and am very familiar with the wrongdoing in her case. It was sickening and confirmed my belief that Tim Harris is corrupt.

I'm returning your documents and I pray that God will send the right person your way.

God bless you!

Best regards,
